

**REMARKS**

This is intended as a full and complete response to the Final Office Action dated June 24, 2005, having a shortened statutory period for response extended one-month set to expire on October 24, 2005. Please reconsider the claims pending in the application for reasons discussed below.

Claims 1-2, 25-34, 36, and 39-52 remain pending in the application and are shown above. Claims 35 and 37-38 have been cancelled. Claims 1 and 2 are indicated to be allowable, and claims 35-36 and 38 are objected to.

Claim 25 has been amended to include the limitation of claim 38. Therefore, Applicant believes claim 25 and claims depending therefrom are in condition for allowance.

The Examiner states that the prior art of record does not disclose an actuator and intersecting guide members. Claim 42 has been amended to now recite these limitations. Therefore, Applicant believes claim 42 and claims depending therefrom are in condition for allowance.

All claims being allowable, Applicants reserve discussion of the references cited by the Examiner.

Having addressed all issues set out in the Final Office Action, Applicants respectfully submit that the claims are in condition for allowance and respectfully requests that the claims be allowed.

Respectfully submitted,

---
